

Adding The Worldwide CRW Calendar to your Google Calendar

These instructions will demonstrate how to add the Worldwide CRW Calendar to your Google Calendar using the browser page for Google Calendar.

To determine if you have a Google Calendar to add this to, start by opening Google Calendar

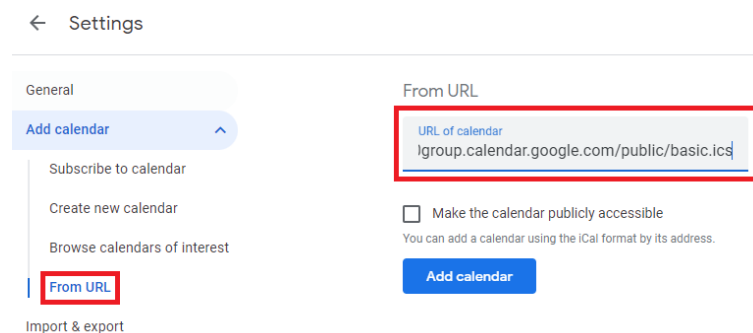

If unsure how to get there, this link should do it... <https://calendar.google.com/>

You'll have an option to "Add other calendars" next to "Other Calendars," once you click the PLUS symbol you'll want to select "Subscribe to calendar"

Here, you'll want to select "From URL", and then paste the link below into the "URL of calendar" field.
